The screenshot shows the official website of Saudi Aramco. At the top, there is a dark header bar with the company's name in English and Arabic, along with social media icons for LinkedIn, YouTube, Facebook, and Twitter. Below the header, a navigation bar includes links for Home, About Us, Products & Services, News & Media, Locations, and Contact Us. A dropdown menu for "E-Service Portals" is visible. The main content area features several large, overlapping black rectangular boxes containing text and images. One box on the left lists "Who we are" (Creating value), "Making a difference", "Partnering with us", "Investors", and "IPO". Another box in the center discusses "Sustainable business operations" and "Technology development", listing "Health and safety", "Energy efficiency", "Environmental performance", "Operational excellence", "Human capital development", and "Commercial ecosystem". A third box on the right is titled "OUR TECHNOLOGY" and contains the URL "http://www.saudiaramco.com/en/e". The footer of the page includes a copyright notice for 2019 and a link to the site's terms and conditions.

The image shows a screenshot of the Saudi Aramco website. At the top, there is a navigation bar with icons for search, user profile, and account management. Below the bar, there are links for 'Contact us', 'E-Service Portals', 'You are in Aramco Global', and 'Saudi Aramco'. On the left side, there is a vertical sidebar with links for 'Who we are', 'Creating value', 'Making a difference', 'Partnering with us', 'Investors', 'IPO', 'Key documents', 'How to subscribe', and 'Introduction'. The main content area features a large banner with a black and white photograph of industrial pipes and valves. Overlaid on the banner is the text 'Powering economies' and 'With application of science and imagination we contribute to the advancement of tomorrow's communities, industry, and economics.' To the right of the banner, there is a section titled 'OUR TECHNOLOGY' with a link to 'http://www.saudiaramco.com/e...'.
